

ARMY CADET LEAGUE – NOVA SCOTIA

LEAGUE GRANTS FOR SPECIAL PROJECTS

BACKGROUND

The Branch receives a number of requests for special project funding throughout the year. Funds are limited and while most projects are worthwhile it is difficult to assess their priority on a case by case basis.

In view of the above grants will be made once or twice annually based on submissions by corps.

AIM

To provide direction on policy and procedures for annual project grants.

GENERAL

Submissions for project grants must be provided in writing to the League Board on the dates directed. Submissions will be presented at the monthly board meeting following the cut off date and decisions on approval and amounts of money to be provided will be made at that time. Cheques will be forwarded to corps as soon as possible following approval.

Submissions must be passed through and recommended by the local League Director or the Corps Sponsor. In preparing submissions the following guidelines must be followed.:

Projects must be of long term benefit to the corps. Examples are corps flags, trophies or training equipment not normally available from DND resources.

The corps must show it has made use of its own resources and support from the sponsors and support organizations.

The corps must show the project is sustainable over a period of time.
